To,

President/Secretary of the Affiliated State Associations/Associate Members of AAI.

Dear Sir/Madam

The Archery Association of India (AAI) maintains a centralized database of Indian archery coaches who have successfully completed World Archery Coaching Workshops (Level 1, Level 2, and Level 3) and AAI Level 1 and Level 2 Coaches' Certification Courses, conducted either through AAI or independently.

AAI is now in the process of compiling and updating comprehensive details of all Indian coaches who have been awarded World Archery Coaching Certifications (Level 1 / Level 2 / Level 3), along with their respective certificates. This initiative is aimed at strengthening the national coaching ecosystem and facilitating systematic planning for capacity building, deputation, and international exposure of Indian coaches.

The proposed database will assist AAI in the following areas:

- Maintaining an updated national record of World Archery-certified coaches
- Identifying eligible coaches for deputation, national assignments, and high-performance programs
- Shortlisting and nominating suitable coaches for advanced international exposure, refresher courses, and future World Archery programs, as and when opportunities arise.
